**Subject:** Re: Reasons for Board actions.

**Body:** Kevin I need you to revamp the board reasons document and fit it into the new Database calledAlternate Board ReasonsWhen you get some time please page me or I will talk with you late monday.The current document regers to vanilla codes so it does not fit into the new scheme of still using the postponement code.I have allready copied over the orginal postponement info to the database so you might want to take a look.
