Subject: Re: skull fragment document
I think that's right, Kevin, but I would think that a memo from me to Carol, rather than a letter over David's signature, would be OK when these issues arise with the FBI. To: Phil Golrick/ARRB, Joseph Freeman/ARRBcc: From: Kevin Tiernan/ARRB Date: 03/01/96 11:41:15 AM Subject: skull fragment document Assuming that I can confirm that this document is open, I guess I will confer with Debbie, and then we should send them a letter which confirms that NARA can release this document in the HSCA files. This is an issue that could potentially come up a lot as we move faster than the Bureau.
