Subject: Re: HSCA-USSS records
Currently Kris has been receiving a bcc of Formal Determinations on HSCA documents.To: Dan Zimmerman/ARRBcc: David Marwell/ARRB, Tom Samoluk/ARRB, Noelle Gray/ARRB, Phil Golrick/ARRBFrom: Jeremy Gunn/ARRBDate: 03/04/96 12:19:22 PMSubject: Re: HSCA-USSS recordsSo, Kris wants to put the Third Agency Rule on its head! I think that more agencies than the Secret Service might take exception to Kris's expansive understanding of the role of NARA. In any case, I think it is a good idea to give notification to NARA on HSCA decisions, but they should not be told that they have a right of appeal for anything other than Congressional equities. Those materials are ready to go to NARA. Kris also wanted me to know that the Secret Service does not have the authority to appeal the Board's decisions. NARA does for HSCA documents. She complained that she had been out of the loop. She wants to be notified if the USSS indicates that it wants to appeal the Board's decisions from the March 1, 1996 meeting.
