Subject: Re: Permission to juggle my hours tomorrow
It's okay with me. I just feel bad that I wasn't invited. Oh well, no sweat. I guess you've heard that one before.

Subject: Permission to juggle my hours tomorrow
My old boss, ex-Congressman and since-I-lost-a-House-seat-why-don't-I-run-for-the-Senate Dick Swett, called to say he's having a political breakfast tomorrow morning and asked me to stop by. I'd like to do so, if possible, and so I would propose arriving at work at about 9:15-9:30 instead of my more-or-less usual 8:30. In return, I could take a shorter lunch and stay until 6:00 (which I'm likely to do anyway). Let me know if this is OK, or if I need to make other and more formal arrangements.Many thanks.
