Subject: Re: 376-5126
I put in another service call on this. I'll keep you posted.To:Tracy Shycoff/ARRBcc:Tom Samoluk/ARRB,
David Marwell/ARRB, Dave Montague/ARRB From:Chet Rhodes/ARRB Date:03/21/96 04:36:13
PMSubject:376-5126The line has been changed to no local calling at all so when you hit the 9, key you get a
busy signal.So they have worked on it but in the wrong direction.Compuserve is down until we get the Phone
people to fix it. If you need to do a search for a specific reason I can temp. switch lines in the phone closet so
let me know.thanks
