Subject: Re: Ann's interview/Gen. Escalante
Sure. You should call Peter Kornbluh and ask him if there is such an agreement; whether they have as of yet received and records; and, if so, whether we could take a look at them.To: Jeremy

that there is currently some kind of exchange of records agreement between General Escalante and the
National Security Archive. Are you aware of this arrangement? Do you think it would be proper for us to
contact the Nat.Sec.Archive to talk to them about their agreement?
