Thanks. It's fine to call. Ask Doug and Tom whether they have it.

Subject: Interim Specter memo  
Per R&A policy, I'm placing a courtesy copy of a background memo on Specter in your box. I did the memo for my own use as I undertake the task you actually gave me. Just wanted you to know that I am not under the mistaken impression that this is what you asked for.  
Eric checked at the LOC for Fonzi's Philadelphia Magazine article, but LOC doesn't carry the magazine. The magazine apparently still exists -- would it be worthwhile just to call them and ask for a copy and, if so, do I have authorization to do so?  
Eric has graciously offered to find two other relevant articles for me: the '66 articles from Life and the Nation.
