Subject: Re: Have all Warren Comm. documents been released?

Mr. Leon, I've attached your previous correspondence (below) for your reference. Question #1: the following are the Record Identification Numbers for the four Warren Commission documents you inquired about: 178-10004-10022179-40001-10233179-40001-10430179-40001-10431. Question #2: your question is unclear. Is there a specific document you are inquiring about? The remaining information you are seeking can be obtained through the National Archives. The Assassination Records Review Board reviews documents. The National Archives houses these documents, as well as the documents released by the agencies before the Board existed. You can write or call: JFK Liaison NARA Washington, DC 20408 301-713-6620. Sincerely, Eileen A. Sullivan, Assistant Press and Public Affairs Officer. Dear Ms. Sullivan, Thank you for your letter, and for placing me on your email list. I look forward to receiving further information from you. In your letter you wrote: >An advisory posted by the Assassination Records Review Board on February 14, >1996, stated that the Review Board voted to release 4 Warren Commission >documents. The advisory continued, "These Warren Commission documents are the >last documents generated by the commission itself that remain to be released in >full to the public." There are other 'agency referred' documents that have not >yet been released. This caused me a bit of confusion. 1) Is there any way to learn which 4 Warren Commission documents these are? 2) Is there any way to learn the names and ID numbers, and what the current status of the "other 'agency referred'" documents is? I have done some searching in the NARA database, but they do not appear to index Warren Commission documents and exhibits in any way that I can easily access. Consequently, I have not been able to learn the current status of the Warren Commission documents I wrote about earlier. The complete list, for reference: CD 212 - relating to Ruth Paine CD 218 - relating to Michael Paine CD 258 - relating to Michael Paine CD 508 - relating to Michael Paine's sister CD 600 through CD 629, regarding relatives of Michael Paine. Also: the Income Tax returns of Ruth and Michael Paine (classified 'secret' Garrison says in his book On the Trail of the Assassins) (Files relating to Oswald): CD 321 - Chronology of Oswald in USSR (Secret) CD 347 - Activity of Oswald in Mexico City (Secret) CD 384 - Activity of Oswald in Mexico City CD 528 - re: Allegation Oswald interviewed by CIA in Mexico City CD 631 - re: CIA dissemination of information on Oswald CD 674 - Info given to the Secret Service but not yet to the Record
