**Subject:** Re: Gee

Joan agrees with me, so we are offering 1/2 of the brownies now for you morning snackers. We will reserve the second 1/2 of the brownies for we afternoon snackers. I'm still working on my chocolate coffee,

AMSubject: GeeI really hope Laura does not intend to torture us with those brownies. I mean really, they are so close we can taste them. We've never put a time constraint on snack construction. we are liberal individualist. Each person should determine the time its right to eat their own brownie. Dennis, I just never thought Laura could be so (sob) cruel.
