Subject: Re: April 16-17 Board meeting
Not too much to report from the HSCA side of things. The Board itself only voted on/cleared two of my documents, which were themselves holdovers from the March meeting. There are an additional 30 HSCA documents referenced on the FRN as consent releases: these are a hodge-podge of items, cleared referrals from INS, DOJ, DEA and other agencies. Sorry there's nothing that really stands out.
