Subject: Re: my review and an essay
Dear Professor Skloot:We would like to publish your review of _Diaminds in the Snow_ in H&GS. I will be in touch concerning the formalities (release, etc.). Sorry for the delay in all of this.David MarwellTo:DAVID_MARWELL @ JFK-ARRB.GOV @ Internetcc:David Marwell/ARRB)From:SKLOOT @ macc.wisc.edu (Robert Skloot) @ Internet @ WORLDCOM Date:04/17/96 03:05:26 PM CDTSubject:My review and an essayDear David Marwell, I refer to our email correspondence of February concerning my review ofDIAMONDS IN THE SNOW for H&GS. Has a decision been made yet for its inclusionin #3? My inquiry is tied to another question: I have an essay I would like tosubmit to the journal (about the theatre & genocide) but I have someapprehension about sending it while another, long-awaited piece still remainswith you. Can you give me any helpful advice about either of these two concerns?Thanks. Robert Skloot, Univ. of WI-Madison.
