I love email. As you well know, writing letters does not always come easy. Email is so easy. I am really hyped on my trip. Being a provincial sort, traveling is a big deal. I get excited about our day trips with the dogs to the mountains. I have never heard of that drummer you mentioned. I guess the music scene in N.O. is always happening. The music I go out to see is either rock bands or sometimes we go to a bluegrass show. Again,

Body: man, I can't wait to get down there.
