Subject: Re: Dupe Voting macro

The Autovote and mark for archive macro works on dupes. The dupe macro and the other voting macro are for voting without sending them to archive. Can you test in the morning and let me know if it has any glitches. I will be in around 11am To: Chet Rhodes/ARRBcc: David Marwell/ARRB From: Noelle Gray/ARRB Date: 05/16/96 03:14:40 PM Subject: Dupe Voting macro This macro does not mark the duplicates Ready for Archive. Can you adjust this so it does this. I thought this macro worked at the last meeting.
