Please understand that I did not mean to be rude to you when you called for Joe Freeman today, but this place became a media circus today and I had all 8 lines tied up and no time to be chatty with you. I am not a professional receptionist and don't do phones very well, especially under those circumstances. I even lost several because I couldn't keep them all going. I hope you understood my brief explanation and didn't think I had a "bad attitude."
