Subject: Re: Mailing list: ARRB

Dr. Lebona:Thank you for writing. I have added you to our email list. You will receive press releases, advisories, and any other items of interest. We do not have a mailing list in which one receives declassified documents. It is the job of the Board to identify, review, and release documents that relate to the assassination of President Kennedy. Once the documents are released, they become available at the National Archives. Copies of declassified documents can be obtained through the staff at the JFK Collection at the Archives.You will, however, be notified by the Review Board when new documents become available.Thanks again for writing. Please do not hesitate to contact me if you have any questions.Sincerely,Eileen A. Sullivan
