Beverly A. Heckman was one of four WC employees expressly authorized by J. Lee Rankin to sign for transcripts from Ward & Paul. As far as I can make out, her duties were clerical in nature. Dave has located her in Rockville (she's still at the same address she was at in 1964), but she and her husband's phone number is unlisted. Should we write her a letter and ask her to call us? The Wards (Jesse, Jr. and Jesse III) probably remain our best bet, but they have yet to be located.
