Subject: Re: CIA-10
CIA-12 is Shackley, Morales, et al. I am assuming there is not CIA-10, which number we will use for our next request. Speak now, or forever hold your peace.To: Jeremy Gunn/ARRBcc: Mary McAuliffe/ARRB, Christopher Barger/ARRB, Bob Skwirot/ARRB, Michelle Seguin/ARRBFrom: Manuel Legaspi/ARRBDate: 06/03/96 09:35:18 AMSubject: Re: CIA-10I have a copy of a "CIA-10" that was never approved or sent out, on my WP 6.0 files. I believe that the information that we wanted to request in CIA-10 was still in a holding pattern (It has to do with Cuba related matters -- Shackley, Morales, etc.) while CIA-11 was drafted, completed, and sent out.Subject: CIA-10We have been able to find no record of a CIA-10 having been sent, although we do have a 9, 11, and 12. If you can solve this mystery, please let me know. Be sure, when you number requests, that you number consecutively.
