Subject: Re: Questions, re: Mark Lane project
1. Yes, although there is a particular urgency for open versions.2. Phil and Kevin have the documents.To: Jeremy Gunn/ARRBcc: Phil Golrick/ARRB, Kevin Tiernan/ARRB From: Joseph Freeman/ARRB
Date: 06/05/96 01:13:33 PMSubject: Questions, re: Mark Lane project1) Can I presume that you want the records you described regardless of their status (open, referred, postponed); that is, you are looking for all such records, not just those that are presently available to the public?2) At someone's leisure, can I be informed as to the records -- to which you alluded -- that we already have in this area, to ensure that I'm not reinventing the wheel?
