Subject: (1) Aguilar and Posner (2) Fogel and Ballistics
1. AguilarHe left a message on my machine wondering if there was anything to report on getting Posner's records related to Boswell and Humes. Please advise me (a) if you have talked to him and (b) if not, what do you suggest I say to him?Please advise. 2. FogelHe left a message that the FBI ballistics report was going to be delivered to relevant parties today and he was anxious to talk about the next step and reconvening. I left a message for him at the end of the day that we will get back to him, but also noted that to my knowledge we had not seen the FBI report. Also, when I was at Archives II today, Steve Tilley also suggested that the relevant parties reconvene and plot the course.
