 CDTSubject: LANSDALE documents TO: Mr. David Marwell, ARRB Ms. Eileen Sullivan, ARRB
 Recently, these document references (SEE BELOW) were obtained from the NARA website. I noticed that the AARB has elected to postpone their release. Some are related to the Operation Mongoose operation of the early 1960s, of which much has been written. As a veteran JFK researcher and publisher, I am most curious to know why -- and what grounds the Board has decided that these documents must be postponed in full. Please respond. I thank you for your courageous efforts on behalf of public disclosure of the many already-released materials. -- Mr. Jan R.
