Subject: Re: Nix materials.
Jackson previously told me she didn't remember receiving any itemized list of the material Groden obtained from WWTN...She was surprised to hear of the amount of material written on the WWTN records I obtained re: what they gave Groden, but could only say something to the effect of: "he just gave me a bunch of stuff & I didn't think to ask for a detailed list". She said she'd look around for something relevant & contact me if she found anything...Dave
