Bill--sorry I haven't gotten back to you sooner. I am forwarding the message on the Eileen Sullivan. Eileen has been dealing with the Archives regarding Board photos. She will contact you about your request for additional photos. I will check with the Mayflower about extending your reservation in August. It can all be one reservation and we will reimburse you for two nights at the single government rate of \$124. I'll let you know as soon as I confirm with the hotel. We had a break in the weather this week so we are all much happier here! Hope all is well with you. Have a nice holiday and we'll see you in a few weeks.  Hi Tracy! I trust that this message finds you and the others at the Board doing well, perhaps even prospering these dank, dark, sticky days! I have two questions for you: first, my family concluded that the portrait photo of me that you very kindly sent to be among the best (i.e., flattering!) that they have seen in recent years. Is there any chance of getting a contact negative so that other photos could be printed? or of ordering additional photos (some 5 x 7s and maybe wallets)? Either way, I am happy, of course, to pay whatever charges might be incurred. We can always have photos made from the print you sent, but my wife says using the negative to obtain the prints is far better. Any information that you might provide would be gratefully received. Second, my wife and I would like to spend the weekend in Washington prior to the Board meeting on August 5-6. Since we thought that we would like to stay at the Mayflower, can I ask you to make the reservations as part of the Review Board reservation? (I'll pay, of course, and could even make a separate reservation, if that would be preferable. It's just that I'd like to settle in and not move, if possible, and I thought if there were two separate reservations I might have to move on Monday.) But I'm glad to do it separately if that would be better for you for any reason. Thanks for whatever assistance you can
