**recstat:** Subject: Non-urgent clarification sought  
This is for the week I get back... you copied me on your E-mail to David, re: my E-mail to you regarding a letter to/meeting with the Congressional Research Service. If I/you haven't heard back from David by the time I return, should I assume we go ahead w/the plan and, if so, are we doing a letter requesting a meeting, or just a letter?
