Subject: Re: Intern/HSCA Numbered Files project

I think we will be finished with Stringer by early afternoon--maybe as early as 12:00. Downstairs is fine with me if it is okay with Steve.

10:17:24 AMSubject: Intern/HSCA Numbered Files projectSteve has OK'd the use of his conference room for this project on Monday and Wednesday of next week. Tuesday, however, we're out of luck because the Stringer deposition is scheduled for the conference room. So, as of right now, we're set for Mon. and Wed. only.It didn't occur to me -- though perhaps it should have -- to explore the possibility of trying to conduct the project on Tuesday down in the public research room, though this might be more trouble than it's worth. If you have any thoughts, feel free to share them.
