Subject: Re: Steve Tilley/Gale Peters, Classified Russell Papers

Amendable or amenable? I presume your House experience is coming back to haunt you. Good work.
Body: To: Jeremy Gunn/ARRBcc: From: Joseph Freeman/ARRB Date: 07/10/96 10:50:38 AM Subject: Steve Tilley/Gale Peters, Classified Russell Papers
Earlier this morning I talked with Steve about strategy, re: getting Gale Peters at NARA-East Point GA to send up copies of the classified portion of the Russell Collection for our/Steve's review and processing. We decided our chances for success were highest if Steve approached Peters about it, and Steve agreed to do so. Acting with impressive alacrity, Steve just called back to tell me that he'd talked to Peters and that Peters was amendable to shipping copies of his Russell Paper holdings to Steve and, by extension, us. Not sure how long this process will take, but at least it's underway.
