Manuel--although your wit is appreciated, you should always remember that all of our e-mails are being backed up and will be available to the public at the Archives. Although everyone on the staff knows that you are joking, it will not be obvious to conspiratorial-minded people that you are. I am very serious: please don't put jokes like this on e-mail (or on Musings).

To: ALLcc: From: Christopher Barger/ARRBDate: 07/16/96 06:31:25 PMSubject: Intern requestsHey everybody, The interns' last day is today (Wed), and they have indicated that they have seen some things that they would be interested in having copies of. Does anyone have readily available: 1. Kennedy's death certificate? 2. Oswald's passport? If you do, I would like to make copies for them. Thanks.
