Subject: Re: Backes letter to Tom
The document is open in full out at Archives II, despite what the RIF says. To: Joseph Freeman/ARRBcc: Tom Samoluk/ARRB From: Joan Zimmerman/ARRB Date: 07/16/96 03:51:54 PM Subject: Backes letter to Tom I have checked 7 of the documents Backes listed and found them to be open. I have faxed Steve about one of the Rowley depositions that should be open but is not marked. The only one you need to check is the Bill Moyers executive session testimony.
