**Subject:** Re: Michelle  
I highly recommend Michelle Segin for a special performance award. Her hard work, dedication, and reliability, coupled with her exemplary good judgment, have provided an essential component of ARRB's CIA/State review team effort over the past year and a half. Michelle was the very first member of ARRB's CIA/State review team, and took it upon herself to help train the newer members of the team as they came along. She has developed areas of expertise, both as record reviewer and researcher, on which the team has come to rely. She is well-liked as well as highly respected, and her departure will indeed constitute a sad loss for her team as well as for ARRB as a whole.
