Subject: Re: Possible intern project.
This sounds like a good idea to me. David, I suggest Bob call Steve. What do you think?

The May meeting documents will soon be ready to go to NARA. You may recall that at the May meeting the Scelso issue was decided. As a result of that decision, we have in our possession a stack of Final Determination Forms reflecting the Board's action on Scelso and at NARA about 190 documents to which these forms must be attached at some time. Tom suggested that this might be a good project for the interns. If you agree, we need to act quickly, because we still need to approach Steve Tilley on this. If he finds the arrangement acceptable, he will need time to find the documents. With the interns coming on Monday there is little time for him to do that.
