Subject: Re: July 9-10 Board meeting

Body: At this meeting the Board made determinations on a wide variety of CIA documents dealing with issues ranging from Mexico City, to CIA name check requests, to investigations of Jack Ruby, to the Garrison investigation, to investigations of Soviet personalities, to the following Oswald in Europe, to Cuba, JMWAVE, anti-Castro issues. This was the first meeting that the Board addressed a significant number of records from the JFK collection- about 60% are from this collection, the rest from Oswald's 201.I hope that this helps
