Subject: Invitation to Testify
I just left a phone message formally inviting you to testify to the Board on September 17 and to donate some of your valuable records to the Archives. We can work out details consistent with your future publications. Tom Samoluk will be contacting you about meeting with him to prepare your remarks. I would separately like to meet with you at a convenient time while the Board is in Los Angeles to discuss medical records. I'll be in touch with you.
