Rob -- I'm afraid I won't see you before you go. You will be off tomorrow and I will be in New Orleans Monday through Wednesday of next week. Thank you for all of your hard work. As I have told you before, your work has been excellent. Good luck in school this year. Please feel free to call me if you need a letter of reference. Take care.

I just wanted to inform you all that Wednesday, August 13th will have to be my last day so I can more intensely get my school stuff together and find a place to live. Sorry for such short notice but the days kind of got away from me. Needless to say, it has been a pleasure and an educational experience for me to have worked with you and I gratefully thank you for the opportunity to do so. If you have any questions or a problem with the 13th as a stopping date, feel free to e-mail, phone or drop by. Again, thank you and I hope to see you again!
