**Subject:** Re: Recording of multiple postponements  
Chet: Has any light been shed on this issue since you sent this email?P.S. thanks for responding to my several requests last week! To:David Marwell/ARRBcc:Bob Skwirot/ARRB, Phil Golrick/ARRB, Kevin Tiernan/ARRB, Mary McAuliffe/ARRB, Tracy Shycoff/ARRB From:Chet Rhodes/ARRB Date:08/05/96 04:45:27  
PMSubject:Recording of multiple postponementsDavid at one point we had agreed on the principal of recording a postponement only once if it appeared multiple times within a document and was the same. Example a person's name. We have not really ever implemented this concept and the R&A staff have been recording each and every postponement up until now. I would like us to make a clear policy on how to record multi postponements that will let the staff enter a single postponement detail for postponements that appear throughout a document.
