I just wanted to be sure you were invited. As for rules, the overwhelming sentiment is to keep it simple... so we will be sticking with last year's pick-the-winners format. Also, you should know that, in keeping with government regs and maintaining our status as law-abiding government employees, NO MONEY will be involved. As it was last year, this pool is for office bragging rights only. I don't know about you, but I personally have so little to brag about that I will jump at the chance to actually have bragging rights for something.Please let me know.C
