**Subject:** Re: Follow up action report/question  
Army will TDY someone -- I think. The problem so far has been capturing the attention of the Army people who control TDY funds for this -- with strained budgets, nobody wants to cough up that kind of dough for something that doesn't directly benefit the Army. I'm still working on this. We'll win in the end, but in the meantime it's a little frustrating as we try to get someone to agree to spend their money.
