Subject: Re: 4th decade

EEEEk. I forgot to bring the article. I'll have to tie some string around my finger to remember. The Fourth Decade is an independent publication put together by JFK assassination researchers. It is comprised of editorials, basically. If you are interested, I can bring it by your desk. House hunting went well, thank you. Now we have to decide which of two houses we like more (our problems could be worse!) I'm interested in that email you sent out earlier this week (Monday maybe?) about the 4th decade. What is it? Did you get a chance to bring in that article about FINCEN? How'd the house hunt go last night? I hope well. Thanks again for all your help so far. Cathy.
