Subject: Re: LA reservations
Bill--As of right now, I have everyone staying at the Miyako Inn & Spa, 328 East First Street, Los Angeles, 213-617-2000. Tom is staying at the hotel on his way to San Diego next week and will let me know if it is ok for September. If not, I will frantically be searching for another hotel. (Check with Tom in SD for his opinion.) I have you arriving at the hotel on Friday the 13th and checking out on Wednesday the 18th. All rooms will be on our master account for room and tax charges. Have a good trip and let me know if you need anything from me in the meantime.

Tracy: I hope this finds you well, and you and your staff colleagues enjoying the last gasp of summer before fall begins to move in on us! I write now to ask you to let me know where you are able to find hotel reservations for me over the weekend of Friday, Sept. 13, through Sunday, September 15. I hope it is the same hotel where Board members will be staying on Monday and Tuesday nights. I'm leaving Princeton before dawn next Tuesday for California, and then the following Friday, August 30, for China. I'd like to know where I'm staying before I leave work next Monday, August 26, but I surely have to know by Thursday, August 29, as I leave San Diego very early Friday morning for China. Sorry to be a bother about this, but there are so many details to hustle into place. As always, I'm grateful to you for your help,
Bill
