**Subject:** Re: Response to Dorff's 8/9/96 letter  
Brian and Dave are going to IRR tomorrow to see if they can find any information about Masen, etc. I'd like to hold off making a decision about a response to Dorff until I see what they can find. Beyond that, I've asked Brian to prepare a brief on what is known/speculated/asserted (literature search, etc. ) about gunrunning operations in Dallas. From that, I'd like to do a thorough assessment of the whole issue - including any leads from IRR -- to see where we want to go next. FYI, I am a little bit leery of seeming to be Dorff's -- or anyone else's -- research service. I'm willing to take an objective look at the gunrunning issue and see where it goes, but I want to do so on its merits as opposed to the fact that Dorff wants us to get information for him that he can't seem to find on his own.
