Subject: Re: Update on the RIFs
I talked to Randy Rakers and Army POC this morning -- it looks like his TDY will slip one week, to September 9-12. (Reason: we were only going to get 3 days of work out of him during previous week due to Labor Day plus one other prior commitment he had.) Army and Rakers are on board for 9-12; I agreed since this should not cramp our plans overmuch, and should actually give us more time to do RIF's, etc. before he starts working.
