Right on all counts. The key places are in the chron files, the specific agency files, and to the team leaders. I dont have any interaction with the 3 series, so I don't know about that one.

HI Kevin, Sorry to bother you with this once more. Could you please reiterate for me where the federal register letters to the agencies get filed. I am only now getting around to filing this stuff. I imagined one copy of every letter goes to the 3.2.5 file - Public filing with fed register, or? then those pertaining to FBI goes in FBI file, and CIA to CIA file, but what about those to Congress? 4.21.3? Then, do the different team leaders get copies of that which pertains to them? ie - Joan gets Secret Service's letter. No rush, Kevin, and sorry for the delay.
