Subject: Re: Appointment to Visit Otis Museum

My initial thoughts are that we probably don't want to discuss our desire for the original during this first visit. Does anyone disagree?

Although I think it is a good idea for you to make a copy of the Blumberg Report, I believe we need to obtain the original--the only question being when we "request" it..

Summary of the Call: Mike Rhode has agreed to have Tim Wray and I pay a call on him at 10:30 on Thursday, September 12, 1996 at the Otis Museum at AFIP. The goal is to view the original Blumberg report, and make the best copy possible (after examining the redactions). I will call him next week and get directions on how to best drive to his facility.
