Subject: Re: Reminder

Thank you. To: Jeremy Gunn/ARRBcc: David Marwell/ARRBFrom: Mary McAuliffe/ARRBDate: 09/09/96 09:37:37 AMSubject: Re: ReminderAs you know, I've done follow-up all the way along on requests to CIA. My memo to you of April 26, 1996, for example, ran 4 pages. CIA-1 is a difficut request, as you know, and what I told you was that at this point you know more about what you're looking for from these records than I do. Things that would be meaningless to me might not be to you. However, I'm perfectly willing to go look at this material again, and have set up a meeting with Barry on Thursday to do so. I'll report to you on the results.
