Subject: Re: Possible newspaper request?
FYI: Posner talks about this story from Prouty in Case Closed and, if I recall correctly, cites some researcher's work as having proved that Prouty is incorrect about this. Let's try to run down the story ourselves, but we should also try to get whatever reference Posner cites. Doug: thought you'd like a copy of this note just for fun since it shows [yet another?] case where Posner is actually useful. . . ;)
