Subject: Re: Arlington National Cemetery Records
Time is good, let's lock it in.As a separate matter, I previously asked Doug to followup on some records reportedly held by the guy who used to plan ceremonies for Ft. Myer. Of interest to us is the fact the guy is supposed to have in his possession the big, thick ceremonial plan for the JFK funeral. As Doug is swamped with other work, would you take on this project? He and I have already discussed this, so he can bring you up to speed on who the guy is and how to contact him. Insofar as I know, the guy has never been contacted by anyone from ARRB.
