**Subject:** Re: Jeremy Gunn/ Ned Dolan

What is this all about? I did not set anything up with Dolan. I am confused. I need guidance.

 Doug, no can do on Sep 24 at suggested time as that's when we're interviewing Fletcher Prouty. Would you call Dolan and try to set up another convenient time -- even the same day in the afternoon, if necessary?  
 Thanks.

 CDT Subject: Jeremy Gunn Dear Mr. Gunn: Your letter came Saturday. I called on Monday about visiting. I am looking at Tuesday, 24 Sept. I would probably be able to arrive about 1045-1000. I have to wait for the aide to arrive to be with my wife and she usually gets to my home about 1000. Then it all depends on catching the Metro at Gosvenor station near me. I know you won't be in until Thursday. If this is unsatisfactory you can call me, its a local call, on 301-942-2085. I will be out in the morning as I have an appointment at the USNH Bethesda, but I have an answering machine. If the 24th is okay, I will be there.  
 Ned
