**Subject:** Re: Fed Reg notice

Do you mean the determinations? I gave you a copy of the notice of the meeting. The Reading Room note book has a copy (the one we mailed, not the one printed) of the determinations. To: Admincc: Kevin Tiernan/ARRB, Eric Scheinkopf/ARRB From: Tracy Shycoff/ARRB Date: 09/24/96 04:08:10 PM Subject: Fed Reg notice I don't seem to have a copy or a note from Eric regarding the FR notice from the August bd mtg. Can I get a copy from someone of what was submitted? Thanks. Also, Eric, did I miss the note of when it was printed? Can you or someone let me know? Thanks.
