From:Manuel Legaspi/ARRB Date:09/27/96 08:56:16 AMSubject:Cuba memo draftI am drafting a memo to Jeremy re: the possible re-organization of the Cuba project. Please let me know if there is anything that you would want to add as part of the project... in a way, you might think of this as your Cuba-related "wish list." You might want to include things that you think are not only important; but things that you believe

would be interesting to research, as well. Thanks, Manuel
