Subject: Re: Rental Car

Tim, could you ask Coyle where he lives in relation to the hotel and the airport?

When I spoke to Heather at Rosenbluth Travel, they told me, based on the zip code that where Coyle lived was close to the hotel. Now I called and spoke to Mary. She checked her map and cannot find Mojave Road on it. That is the street Coyle lives on. So not to take any chances, I took the liberty of reserving a rental car. It is a midsize from Avis. They should be right in the airport or you can catch a shuttle to Avis. Another plus: Avis has direct billing so the bill will go to GSA and you won;t need to pay out of pocket. I will get you the confirmation number as soon as I get the fax. Any further questions, let me know. Thanks, Cathy
