Subject: Re: Referred SS documents in the WC records
I have already spoken to Steve about this. Steve has told John Machado that he needs to come to NARA and stamp these documents open. Steve wants the Secret Service stamp on the original documents. John Machado simply has not come out to NARA to do so. This issue is already on my list. The Secret Service has several items on the table right now. After the November Board meeting, I will have a clearer picture of appropriate timing for sending Jane Vezeris a letter about these documents.

PMSubject: Referred SS documents in the WC records
What are the USSS plans for reviewing the WC records that are at NARA? Should we send a letter to USSS? I think we should get these processed.
