Subject: Re: Vanek Interview

An affidavit might be a good idea. I suggest we wait until he's had an opportunity to view the Men Who Killed Kennedy video with the Marvin segment in it, as that might jog his memory. I will then call him to work out the text of an affidavit. Perhaps the best way would be for me to write up a draft text based on his comments during the phone interview and any comments he might have after seeing the video. (The chief advantage of this method is that we ensure the affidavit covers all relevant topic areas.) We could then fax it to him for review/revision. When he's satisfied, we could mail him a clean copy for his notarized signature.
